## UMW Sunday at Capleville

On Sunday, September 28th, Capleville celebrated UMW Sunday.

Diana Wilson Lamberson, UMW President, lead the

occasion. Marilyn Hathaway gave the reason for the occasion and their mission. Marilyn, also reminded us to make a donation to the 2014 Candleburning. It's not too late! Joyce Dodson read the scripture.

Audrey Morrow, Director of Youth Ministry, was the

speaker. Her topic was "The Game Is Rigged". She

did an outstanding job (and it was her first sermon). The Capleville Choir, lead by Lashawn Pender, was in great voice. Yolanda Curry, Virginia Feathers and Eva Roberson wowed us with pitch perfect solos.

Carolyn Miller, Mary Scranton,

Shannon Ray and Charlotte Wright were ushers for the day.

*Moses prayed earnestly to the Lord and said "What can I do with these people?"*

*They are almost ready to stone me. Exodus 17:4*

### Youth Ministry Update

Dear Capleville friends,

It has been a true joy working with the youth. Even in three months of being with you, we have already begun to accomplish some things. In August, we celebrated the beginning of this journey with a trip to the Red-birds game. It was such a valuable experience because we were able to connect with the youth ministries of two other churches from other communities, Crossroads UMC in Collierville, and Calvary Episcopal Church, located downtown. I was introduced to the budding leadership skills of TJ and Gwendolyn as they led the entire stadium in *The Wave*. At the end of August, we also hosted a School Survival Summit. We had about 20

young people come and share in discussion with community leaders about bullying, social media, and teacher relationships. We enjoyed fun, food, and fellowship with youth from Ross Road Elementary School, Kirby Middle School, and Ridgeway Middle School.

In September, we began youth bible study. Our topic was Mission. We talked about the definition of mission, the Great Commission, Jeremiah and how God uses young people for God's mission, and how to be about God's mission in everyday life, such as opening up to conversation with others about God and being a light for people to see. During the Lock-In that took place Sept. 19-20, each youth was challenged to use his or her own gifts to share Christ with our visitors, not only in our words, but in our attitudes and actions.

In October, we will be preparing for Fall Festival, which will include planning and setting-up, but more importantly, we will be developing our purpose for the Fall Festival. Of course we take for granted that the Fall Festival is to fellowship with one another and provide a safe place for our community on Halloween, but as we continue to flesh out what it means to be on God's mission, my goal for the youth is to be cognizant and intentional about connecting the things that we do with our identity in Christ Jesus.

Beyond the walls of the church, I have been volunteering with Club Hedgerow at Kirby Middle School. I was told by the counselor there that students have expressed excitement that they are seeing me around school and in other places. That means a lot to me because the youth in our community ought to expect our presence. They need to be aware that their growth and development spiritually, educationally, and socially is a community concern.

After three months, I certainly do not feel brand new any more. Hands are to the plow and there is no looking back. Yet we are looking forward to continuing bible study on Wednesdays from 6pm to 8pm, the Fall Festival, serving the community beyond the walls of the church, and whatever else God has in store for us. love and peace audrey

# Donate Your Shoes !

From now until October 31st, Lakeshore Camp and Retreat Center is collecting new and gently used shoes for its Funds2Orgs Shoe Drive Fundraiser. Funds2Orgs is an organization focused on helping churches, nonprofits, schools and civic groups raise money to continue their work.

Funds2Orgs will pay Lakeshore for every pair of shoes it collects. These shoes will be sent to developing countries where they will be cleaned, refurbished and used to help people start businesses.

We are accepting all types of gently used shoes or new footwear (children and adult sizes) - including tennis shoes, boots, flip flops, dress shoes, cleats, golf shoes, etc. - and are asking everyone to get involved. Our goal is to raise \$50,000, so we need lots and lots of shoes.

This is a great way to support the camp and do something worthwhile with any shoes your family no longer needs. The Lakeshore staff will pick up your donations or shoes can be dropped off at St. Lukes Methodist Church.

For more information, contact Lakeshore's Director of Development, Bill Walker, at 731-394-8794 (cell) or [williamwalker7635@gmail.com](mailto:williamwalker7635@gmail.com)

## The Capleville Community Food Pantry

Our food pantry has been operating for almost five years. We are learning and upgrading monthly. We need your prayers constantly. With Gods blessings and your steady donations, we are providing a much needed service to our community. Our client base continues to grow (not a good thing), which means there are a lot of people in need.

The Food Pantry *always* need volunteers to lend a helping hand in the pantry. If you can't stand or lift, we'll find you a sitting job or an organizing job. Any time you can donate is very much appreciated.

The Capleville Family accepts donations any day of the month, but we chose the second Sunday of every month as "Food Pantry Sunday". This month October 12th is "**Food Pantry Sunday**", please bring an offering or a donation for the pantry. As always, the pantry needs peanut butter, chicken and dumplings, cereal, dried beans, beef stew, canned fruit, tuna, canned chicken, pasta, rice, jelly, corn muffin mix, ravioli and soup. Giving is an act of worship. **God is Good, ALL the time!!**
